Victory to Resistance in Lebanon and Palestine

Public meeting
Sunday 13 August 2006, 4.00 pm

Saklatvala Hall, Southall

Dominion Road, off Featherstone Road, UB2 5AA
[10mins from Southall rail station, facing Dominion Car Park]

The current situation in Lebanon and Palestine demands an urgent response. It demands wholehearted support for the resistance fighters from all working and oppressed people.

Israeli aggression against Lebanon and Gaza is a continuation of the politics of US imperialism through the agency of Israeli zionism. Its aim has nothing to do with so-called 'kidnapped' soldiers. It has everything to do with trying to destroy the resistance to Israeli and imperialist designs for Gaza, the West Bank, East Jerusalem, seizing control of Lebanon and weakening Syria and Iran.

But this military adventure by imperialism has not gone according to its plans. It has met heroic resistance and there is consternation in the imperialist camp.

We need a very clear analysis so that we can take a resolute position based on sound principles of proletarian internationalism. Come to this urgent meeting, join the discussion and form part of a growing movement in the imperialist countries against imperialist aggression.
